2009 is the last year of my three years of misfortune. Will next year have anything better in store for me than my last three? Though thinking back the three years, I've never had anything especially awful happen to me (whatever whining I did the past weeks, ha ha) If that's so I bet you're waiting for this, right? Kyawow! This is volume 3!

...interrupt you?

Why aren't you  
answering? Is it  
true, that we  
interrupted?

Right now, are you  
questioning me,  
Officer Choi?

Of course, you wouldn't do that.

Let's go, let's...

It's not like I've committed a crime, there's no way Officer Choi would question me like that.

are they only  
holding onto me??

OFFICER CHOI

Kot POW

KYAH

I'm truly sorry,  
your honor. I'll  
apologize on  
behalf of Jin-Ma.

Officer Cho,  
your honor...

**WHY ARE YOU,  
MISS HAE-KANG,  
APOLOGIZING FOR  
THAT MAN?!**

I'm sorry for raising  
my voice. I'll leave  
now.

Stand up.

- S H U T -

They said this was an opening sale, but the prices don't differ from Hennes, right? Then how much are these supposed to be?

Really, it's too expensive~

What's so different about here, then Hennes?

Hear that?

Your group is losing the fight with Hennes over prices, why not sell them cheaper, isn't?

Teacher,  
you came?

Of course. Did  
we have a lot  
of customers  
today?

Yes. There  
were a lot.

It was  
the best!

Really?

As much as the opening  
day is important, we  
should have at least that  
many people shopping or  
else what are we going  
to do. You can't get  
excited by this.

Also father its good  
that you came.

Remember what I told you  
last time that we need  
cheaper merchandise?

Please keep in mind of a design  
that can help reduce prices,  
starting from the design to the  
manufacturing cost. You too  
"Young-Ma okay?"

Yes

Jin-Ma, did  
you hear  
too?

Hum?

Aren't you also in my  
assistant design group?  
You should've listened  
carefully.

Hurry, go home and rest. We all had a busy day.

Yes, good night.

Good night.

Good night.

Sleep well.

Jin-Mu -

Look at me for a second.

INTENSE

...do you  
remember  
yesterday?

No.

in the future, it'll be hard  
if you didn't drink alcohol.  
Acting disorderly then it,  
and even coming late on  
opening day because of its  
side effects.

If you can't even  
control yourself  
after drinking,  
it's better not to  
drink at all. Got it?

Okay, I got it.

Al.../baw go apologize  
to Officer Choi  
tomorrow.

What, you  
don't want  
to?

No, I'll do it.

What do you  
have anything  
else to say?

Anything else?  
Why?

Who knows, I'm  
not sure myself.  
Since I don't  
remember  
anything.

Are you sure it's  
because you  
don't want to  
remember?

So are you saying  
that you've got  
something to say?

But you...

you said you don't  
remember anything.  
Then why aren't you  
asking me why you have  
to go apologize to  
Officer Chai?

Oh yeah

I heard it from  
everyone about  
yesterday.

He-  
Keng.

I'm sorry about  
yesterday.

Anyway, I'm really sorry!  
I won't ever play around  
like that again!

No, we can't.

Why are you  
so serious?

Oh my~  
When am I.  
Ho ho!

I thought you said they wouldn't last long, what's this? They even found someone to love it in their new shop.

They might last longer than the Young Master wishes, but I am certain they won't last long.

Though I'm saying that again, the Min shop won't be an easy opponent.

Therefore I'm saying that we should stop using the village strategy now.

I don't think they're easy either.

I'm going to use any means and ways to crush them with all I have. I'm not going to play around anymore.

Everyone! I'm going to go outside and hand out this promotion gift!

Oh sure~ Good luck!

Yo~ How have  
you been doing?  
Long time no see!

Don't you feel a bit

I'm even like a real

Also...

I came to

I'm sorry for not being  
able to control my

Will you...  
accept my

Since you have, ever

So, you're saying

Of course it's obvious

NIAMAE IS ALREADY  
ORGANIZING AN EVENT FOR  
THEIR NEW PRODUCTS. HOW  
MUCH LONGER ARE YOU  
GOING TO HAND OUT  
PROMOTION GIFTS?

WERE YOU PLANNING TO  
IGNORE WHAT HAPPENS  
AFTER YOU TAKE  
PEOPLE'S MONEY? ARE  
THE NEW DESIGNS OUT  
YET, OR NOT?

Really this  
lady is...

Doct...

Doctor,  
please  
stop this.

I came here to just ask these people what their plans for the future were.

I'm sorry, miss.

Now, Miss Hae Kang. What are your plans for now?

It's true that the release date for our new product will be later than scheduled, but seeing that the situation is as it is now and that we are working hard to come up with something good it can't be helped.

Also, speaking in terms of a new product, it is an important task for us to create something that isn't just simply beautiful and lovely, but something that goes beyond that.

That's why that plan is just destroying your price! I'm telling you to cut them down!

I am still deeply considering that matter.

Still considering? Why?

If we were to have an expenditure war with Hermes, and if it were to be prolonged, the quality of our merchandise would fall for sure.

Moreover, by looking at the scale of Hermes or from the limited information our shop has on it, it's evident that no matter how much we lower our prices, it wouldn't be enough to overtake Hermes. Therefore, it would be difficult to say that having discounted prices would be the best idea.

I have been giving this some thought, and found that our main problem is that we do not have enough information on Nirrac.

It's good that you came because I had planned to go to meet with you, Miss, in order to ask for favor. This goes to the doctor as well.

To us?  
On what?

The *dauphin* is the person with a very high position, rank, who worked under the king on his right hand side.

The *Ryuu Ja-an* in Nirrac is also the third daughter of the lord holding the position of the *dauphin*.

The president, a man named Don Ho, is one of the lords of the Schell family, which is the most powerful family that exists in Eragada today.

Therefore, I believe that there's definitely going to be information about them at places like high-class social gatherings. So if it's possible, I hope you would consider in participating in those meetings and get some information about those two.

Even trivial things are fine. It might just become handy later on.

I understand. I'll see if I can find anything out.

Thank you, I'm in your care, Miss.

It's already late, we'll go now Miss Ji-Hwa.

Hae-Kang, it's nice  
of you to come.

I heard that you just  
released your new  
products, so I came  
by to browse a bit.  
Of course, it's your  
design, isn't it?

Absolutely.

You should go back  
to work now, you  
seem awfully busy.  
I'll leave after I look  
around bit.

Alright,  
take your time.

# Shuffle

Oh my~ Did you like my new designs that much?

Yes, I liked them very much. But...

I saw that when you incorporated some of the styles in Daigook, you made the obvious decision of adding feathers or leopard designs, but it kind of gave me this plain feeling. Next time, I'll be waiting for a more, stimulating idea.

WHY DIDN'T I DECIDE ON YOUR HAIR AND EYE DESIGN, ONE THAT IS MORE SUITED... BUT, JUST GIVE THE FACT THAT I WAS ABLE TO SEE A DESIGNER WITH THE SKILLS TO DO THAT DESIGN, HAS GIVEN ME THE HAPPINESS OF A LIFETIME. I CAN ONLY ADMIT MY DEBT TO YOU.

Hae-Kang—!

Ah, the owner of the cloth store!  
Nice to see you.

Where  
are you  
planning  
on going?

Oh yes, isn't it  
about time for  
you to buy  
more cloths?

Why yes, I was  
planning on going  
a bit later.

Sure, then. But make  
sure that when you  
come by to our shop  
to buy cloths.

You must  
send over  
Da-Heng.

Eh? Of  
course...

Manager~  
I heard that you were asking for me!

Yeah, it's good to see that you came. So, I heard that you told my kids a really interesting story, huh?

Why did you warn the children by saying those stories about ginseng roots and such? They were such a mess yesterday when they said that they saw a ghost, and they've been trembling ever since then.

Ahhh~

Creak~

Da-Hong  
Unh!

Ah, Lee-Rang!  
Did something happen?

Sure, it's not what  
the kids say!

Yep! I saw the carriage. The ginseng expert was riding it  
at night when we were hiding in  
the grass in the woods. Two  
really big black horses were  
pulling it going click click click  
click~

I wonder what they  
saw in the woods that  
they would go through  
every day, to the point that  
they got lost, and ended in  
damnation before coming  
home. It makes me believe  
that it was probably  
because of the very fun  
story  
you told them...

He ha ha...

We really  
saw it. The  
carriage of  
the grim  
reaper.

A big and black  
carriage led by  
two black horses.

Ah ha ha! I  
wonder what kind  
of carriage it  
was... Why did it  
go through that  
road that night...

I don't want to  
be a really stupid  
and it was  
dark, right?

Here's the list  
of the dolls  
we're ordering.

That black carriage the kids were talking about, wonder what it was?

There's rarely anyone who goes through that wood, especially at night, and to pass through there at a time like that, while carrying a really heavy carriage, it's odd.

What do you mean by that?

Ah, your honor, Officer Cho.

What kind of interesting story were you talking about?

Ah,  
that's—

His— It just so happened that  
last night, we were able to  
crackdown on drunk horse-  
back riding. If you are inte-  
rested, I would gladly get more  
information for you.

Yess—!!

It will only be a minute,  
but how about we go  
to my office and drink  
some tea before  
you leave?

Yes, please!

See? Officer Gao told us  
some info, and well you  
wouldn't believe it, but he  
said that there was never  
horses or a carriage like  
that, that had entered nor  
left Lingnan!

Then where  
could it have  
possibly gone to?

Okay...

So... you came this late, just to get more information on that? Right when it's closing time?

Ah, I should apologize the things we brought today!

Why are they like that? Shouldn't they know the situation?

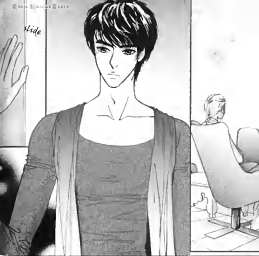

I'm going to close!

Well, there were only a few customers today, so they wouldn't have had much to do even if they considered...

Just thinking of it makes me feel like I'm a professional... maybe I should try it?

Oh oh... Just what should I do...

Just what were you thinking so hard about?

Huh?

I'm talking about earlier in the shop, when you were sitting by yourself.

Well, this and that...

If you think about it, there's really no end to it.

Like, what should I do with a shop that has nearly any customers... what is it that I'm doing wrong...

And after a while... I was thinking that when the weather gets cold, father's message would start to come back and that I would need to try him his medicine...

And if Wael is doing alright in the capital...

Then, what kind of  
carriage will  
De-Hong talking  
about?

After, I wondered  
whether if I could give  
the employees their  
salary this month...

Don't you ever  
think about Officer  
Choi?

Why did the talk  
about Officer Choi  
suddenly come  
up?

Why is it that you  
always seem to try to  
be me together with  
Officer Choi?

Who said I was trying to  
be you two together?  
Gee? You're too  
sensitive over something  
that I just heard once!

What?

Honestly, what's so  
wrong for a young  
blooded youth to think  
about a gap? Isn't that  
just natural?

So, is it a young blooded youth like you, always thinking about a certain girl?

Hmm~ Do you think I have the time to think about a girl?

True...

Hey~

*I bet you wouldn't have any complaints if you were to leave her side.*

If I were to  
leave this place

What are you  
going to do?

If you were...  
to leave?

I would catch you,  
roll you up in a straw  
mat, and kill you at  
that spot.

Are you asking this  
because you don't  
know what happens  
to slaves when they  
run away?

If you're going to run for it,  
then you should encourage  
yourself not to get caught.  
But what's the reason for  
the outdoor nation? Why?  
Should I chain your wrists  
together so you can't run  
away?

Forget it. I  
shouldn't have  
even asked.

Where do you  
want to go?

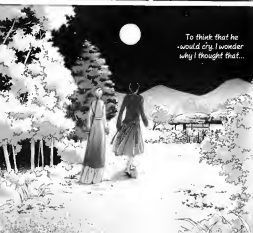

There isn't.

For a second,  
I thought he  
would've  
cried.

To think that he  
would cry. I wonder  
why I thought that...

Pretty cheap, with good quality, that's what we were aiming for as our goal, and we also knew that we need to be able to over Haines. In other words, it means that we need to make a product that would give us an advantage.

But figuring out what it needs to be. It's true that we're not successful in grasping onto any class. That's probably the reason why the teacher is like this as well.

But, what other ways is there but keep researching. Then, if things go well, we might just possibly get an answer.

To go to the academy now.

That was the problem.

The fact that we weren't grasping onto the right idea.

All I need to do is to choose the right direction for us to go. Then we might just be able to have a major breakthrough!

This is it, right?

No, it's fine.

I should've packed it more carefully. I'm sorry. But, why did you come?

Ah, I heard Da-hong say that manager was too sorry for her —to come. So please, you should forgive her already.

She won't ever go around talking about stupid things like the carriage of the grim reaper to the children anymore.

Anger? Since you asked, I'll forgive her.

Ah, right! It just so happened

that the black carriage the kids saw...

All I thought was that the kids were inspiring things, but after I talked with a few of the market folk, there seemed to be a few people who thought they had seen something like that too.

Also, it was during night time when they all said they saw it! Plus, strangely, it seemed like it was heading for the deep side of Red Mountain, south of Lingnan.

Just what kind of carriage was it that would go to sleep in the forest at the dead of the night? Don't you think that's odd?

When did the people say they saw it?

Who knows? I'm not exactly sure, but I think it happened just recently.

That's...why are you  
suddenly asking  
this?

For most people who live outside their hometown, they usually say that they want to go back. I just asked because you said you didn't have any place you wanted to go to.

Tch, why do you bother, when you're not even going to let me go in the first place.

You got it wrong, starting with that attitude of yours.

You can't even say where you want to go directly, and now you're just using me as an excuse, when you're actually giving up without trying.

...that's not it...

I just really

I don't have any place I want to go to.

But if you ask  
if not just  
staying here  
is good...

Well, I'm not even  
sure myself...

This will probably be  
the factory that  
they make Marie's  
undergarments.

Ask  
her?

Chapter 10

Tada~

Why did she  
have to change  
her clothes?

I wasn't as sure  
about this, but to  
actually find it—I  
think, it's more  
important to say that  
rather than moving  
around to find this  
place. It was actually  
very instinct that led  
me to find this place.

That's right, during  
confusing times  
like this, it's only  
right to go along  
with the flow.

Right?

What's she  
saying about...?

Alright, infiltration

Luckily we aren't that far up. It's about 2 floors high, so I think we can get down if we tie the cloths in here together and climb down.

Really, that's good to hear. Then let's start moving once it's dark.

CREAK  
But the small one is strong. Just what kind of chemicals are they using that is making such a potent smell?

I'll hold onto you. Try to stand up. For now, let's head over to the window, you'll probably feel better once you get some fresh air. Here.

So they said they went to  
the western forest if one  
is talking about a road  
wide enough for a big  
black carriage to go  
through... Yes, it has to be  
that road!

Miss Han-Kang...  
Please be safe...

Huh?

Huh???

WHAT'S GOING ON??

Are you still  
feeling sick?

YOUR HONOR,  
OFFICER CHOI

Miss  
Hsu-Kong!

Your  
honor...

SWAMP

Ah...

MISS

She's not hurt but  
her condition isn't  
good. For now, you  
should take her back  
on horseback. I'll tell  
you in detail of what  
happened once we  
get back.

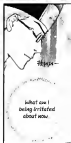

Then, are you planning  
in walking back by  
yourself? You fainted  
once, too you know.

It'll better than  
carrying you on  
my back.

But, is it because we're riding on horseback? Compared to before, I feel more nostalgic. Anyway, your horse Officer Choi, I'm sorry for making you walk because of us.

BAE-KANG HHHH

Doctor, how  
is she?

From listening to what happened and  
by looking at her symptoms, it looks  
like she has become intoxicated by a  
weak poison. However, the type of  
poison is unknown, so it's still  
difficult to treat. For  
now, she will be able to recover if  
she regains her strength in a safe  
environment.

Ah, excuse me,  
just in case I  
brought some  
things while we  
were together,  
there are please  
take a look.

I brought a few odd liquids and cloths that were in the area where Hoo-Kang had lived. Would this be of help?

Here, I'll try and see if I can analyze this first:

So you're telling me that there were intruders in our factory?

Yes. There was one man and a woman. After they were discovered in the dye room, I witnessed them running away but lost them.

The damage?

A few of the regular workers that were in the area while they were escaping have small injuries but other than that, there were no visible requirements. I believe that their aim was to consume this factory.

Alright... Make sure to carefully check and see again if the intruders didn't touch anything, then report to me once more. You may go now.

Yes, mad'am!

Thank.

Click.

What's this? Was it from the Po-Chung?

No, I made sure we planted a spy in Po-Chung, so if it were there, I would've been notified immediately.

Then what sort of trouble I have been from the Min workshop, right? How they're really working hard?

If they were really from the Min workshop, and if that is true, then I shall act after I have figured out what they had done in our factory.

Though, it's likely that we will be able to confirm that quite quickly.

HAI-KANG!

JUST WHAT KIND OF ACTS WERE  
YOU PERFORMING LAST NIGHT?  
DID YOU WANT TO SEE YOUR  
FATHER IN A STATE WHERE HE  
WOULD FALL FLAT ON HIS FACE?

Father...

Ah, Uwee. This  
morning, after he  
had heard what  
happened he...

QUIET? AND WHAT  
WERE YOU PEOPLE DOING  
AT THAT TIME?

YOU SHOULD'VE STOPPED HER!  
EVEN WHEN YOU KNEW WHAT KIND  
OF PLACE IT WAS, DID YOU JUST  
GO ALONG AND ENCOURAGE HER?  
YOU DANGEROUS THINGS!!

Father...  
Calm down!

Oh, older is  
here, too. He's  
angry again.

SENSE

AND YOU, JUN-HAE!  
JUST WHO DO YOU  
THINK YOU ARE?

WHAT KIND OF INCREDIBLE  
PERSON DO YOU THINK YOU  
ARE TO EVEN THINK TO GO  
THREE DAYS SEE WHAT  
KIND OF CONDTION HAE-  
KANG IS IN? YOU BOTH  
COULD HAVE BEEN CAUGHT  
IN AN EVEN MORE  
DANGEROUS SITUATION!

WHY DID YOU NOT STOP HAE-KANG,  
BUT JUST GO WITH HER? IT CAN'T  
BE THAT YOU'RE THE ONE WHO  
URGED HER TO DO IT?!

What... what  
did I do...

Elder, I didn't even know where Hee-Kang was going and just followed...

Guya, can you please close the door.

Okay.

SHWT

Hey-

Father, I am truly sorry. But I'm really not that hurt. I'm fine.

..How,

would you expect me to live if something had happened to you as well.

After we sent Won to the palace... just how many more times will I be able to see his face before I die? You're the only child I have left that is by my side...

Next time, at least for this father, do not ever perform such a dangerous act again. Understand?

Yes, forgive me father. I won't do it again.

Good, now when do you think you'll come back home. You will need to rest comfortably.

I'll come after I talk with the Doctor first.

From what you saw of Nam-so's factory, how was it. Was it big?

It was... extremely vast.

To the point where I did not want to believe that they were our opponent.

And to the extent in which I thought that there would be no chance of winning. That was how vast and massive it was.

So, after going through all this nonsense, is that all you have to conclude from your trip?

That Niarue is such a mighty opponent that we have no chance of winning?

Yes.

We probably will not be able to win.

That is, if we were to only look at the advantages Niarue has.

So that  
meant...

Then again, from this  
knowledge, I think that I  
just might be able to find

the solution on whether  
we will be able to compare  
with Hsienmu or not.

For how much  
longer do we  
need to go?  
Are we close?

I wouldn't mind going  
to place where we  
usually go.

We're almost  
there. Didn't I  
already tell you it's  
such a great place?

You wouldn't  
imagine how hard  
I tried to find a  
place that had the  
most breathtaking  
view of the road  
field!

That's all.

# THE TRUTH BEHIND NIAME'S FACTORY

that? I'll take  
Jinmoos out so,  
everyone,  
won't worry  
about it.

It's been  
fun~

UM

Let go!

What should we  
do? To say it's a  
poisoned apple...  
Isn't that hard to  
spread here now?

Ah! Then we might not be  
able to see Jinmoos again.  
We have to fix this  
misguided situation!

How?

For a person who's  
unconscious he needs...

Not sure how  
but conscious

Thus the tragic tale of  
how Nlana's factory  
is moving further  
from being normal.!
